

Discover suppressed information on vaccines and immune function

Join us for the following
series of four monthly meetings at

Sandpoint Public Library

1407 Cedar St. (SW corner of N. Division & Cedar)
in Sandpoint, Idaho

6 PM—7:30 PM
Third Thursday of each month

**Apr.
21**

I. WHY DO WE VACCINATE?

- exploring the basis for the beliefs we hold
- questioning sources of funding for information
- understanding propaganda techniques
- questioning authority figures and statistics

**May
19**

II. ARE VACCINES SAFE, EFFECTIVE & NECESSARY?

- how vaccines are made and ingredients of commonly used vaccines
- a brief history of vaccination
- the suppression of vaccination failures
- how our bodies respond to vaccines

**June
16**

III. DO WE HAVE TO VACCINATE?

- our right to abstain from mandatory vaccines
- exemption info. for schools, daycares and employers
- state vaccine tracking registries: are they voluntary?
- being effective in asserting our rights

**July
21**

IV. CAN WE IMMUNIZE WITHOUT VACCINES?

- understanding dis-ease and why we get sick
- basic principles of natural healing
- treatment guidelines for common childhood illnesses
- developing a more harmonious relationship with our bodies

Nursing babies and supervised children welcome!

These meetings are sponsored by Vaccination Liberation - Idaho Chapter.
