"It is certainly preferable to raise vegetables, and I think, therefore, that vegetarianism is a commendable departure from the established barbarous habit. That we can subsist on plant food and perform our work even to advantage is not a theory, but a well-demonstrated fact. Many races living almost exclusively on vegetables are of superior physique and strength. There is no doubt that some plant food, such as oatmeal, is more economical than meat, and superior to it in regard to both mechanical and mental performance. In view of these facts every effort should be made to stop the wanton and cruel slaughter of animals, which must be destructive to our morals."

Tesla designed the first hydroelectric powerplant in Niagara Falls in 1895. The Tesla coil, which he invented in 1891, is widely used today in radio and television sets and other electronic equipment. Among his discoveries are the fluorescent light, laser beam, wireless communications, wireless transmission of electrical energy, remote control & robotics. Tesla is the father of the radio and the modern electrical transmissions systems. Registering over 700 patents worldwide, his vision included exploration of solar energy and the power of the sea. He foresaw interplanetary communications and satellites.

# The Guest House

This being human is a guest house.  
Every morning a new arrival.

A joy, a depression, a meanness,  
Some momentary awareness comes  
As an unexpected visitor.

Welcome and entertain them all!  
Even if they're a crowd of sorrows,  
Who violently sweep your house  
Empty of its furniture,  
Still treat each guest honorably.  
He may be clearing you out  
For some new delight.

The dark thought, the shame, the malice,  
Meet them at the door laughing,  
And invite them in.

Be grateful for whoever comes,  
Because each has been sent  
As a guide from beyond.

**Rumi believed passionately in the use of music, poetry, and dance as a path to reach God. It was from these ideas that the practice of whirling dervishes developed into a ritual form. In the Mevlevi tradition, worship represents a mystical journey of spiritual ascent through mind and love to the Perfect One.**

“Its time to awaken. We are in the midst of a spiritual awakening and cleansing. Everything that hasn't been working is coming to the surface so that it can be cleansed and healed. Like a wound that has pus, the pus needs to come to the surface so that it can be cleansed, and then the healing can begin. We're seeing it in our healthcare, banks, schools, military, government, politicians, big pharma, religion, hate talk TV and radio, employment, homelessness, plus self. When we can put our hearts before greed we will be able to cleanse and heal. And we are seeing it”

## What You Are Is Perfect Imperfection

By Emmanuel

Your less-evolved areas have a right to be.

They whisper of things past.  
They whisper of confusion, of unfulfilment  
And of the pain of the soul separated from its God  
And the longing for that Oneness again.

Realize that on this Earth  
There can be only relative perfection.

Realize too that you do not need to be perfect  
To be loved. Love each other in your imperfections,  
Tenderly and completely. Be gentle with yourselves.  
The demand for perfection on the physical plane  
Can be your worst enemy.

To insist on perfection precludes growth.  
To accept imperfection as part of your humanness  
Is to grow.

If you can love the part of you that you think  
Is imperfect  
Then the act of transformation can begin.

When you judge it and throw it out of your heart

It becomes a hardened shell that blocks the Light.

If you deny, what is your nature?  
You become deeply attached to that denial.

When you accept what is there, in its truth,  
Then you are released.

One does not release through rejection.  
One releases through love.

To strive for Light is a beautiful calling  
But you cannot find the Light  
Until you acknowledge the darkness.

Souls who strive in perfect yearning  
Are as close to perfection  
As anyone in human form can be.

Who you are is a necessary step  
To being who you will be, and so it goes  
Through eternity.

Be comfortable but not complacent  
With your imperfections.

Who demands perfection?  
Only you souls who are locked in human form  
Believe somehow that perfection is the requirement.  
It is not. The requirement is sincerity;  
An open heart.

That is the perfection that is demanded -  
The perfect longing.

The perfection of the universe  
Is an encompassing reality  
Around the imperfection  
Of your human world.

## **Archbishop Carlo Maria Viganò has released a powerful open letter to President Trump warning him that the current crises over the coronavirus pandemic were created deliberately for the purposes of evil. The letter is reproduced in full below.**

In summary, Archbishop of Ulpiana, Carlo Maria Viganò is Former Apostolic Nuncio to the United States. He explains that our health is being used to control us with Covid 21 as a planned event by elite globalists who are united in a satanic cult as eugenicists looking to drastically cull the global population. Event 201 was their practice run of the pandemic and it occurred on the very same day, October 18, 2019, as the 7th World Military Games (at Wuhan, China, in homage to the United Nations).

Mr. President,

In recent months we have been witnessing the formation of two opposing sides that I would call Biblical: the children of light and the children of darkness. The children of light constitute the most conspicuous part of humanity, while the children of darkness represent an absolute minority. And yet the former are the object of a sort of discrimination which places them in a situation of moral inferiority with respect to their adversaries, who often hold strategic positions in government, in politics, in the economy and in the media. In an apparently inexplicable way, the good are held hostage by the wicked and by those who help them either out of self-interest or fearfulness.

These two sides, which have a Biblical nature, follow the clear separation between the offspring of the Woman and the offspring of the Serpent. On the one hand, there are those who, although they have a thousand defects and weaknesses, are motivated by the desire to do good, to be honest, to raise a family, to engage in work, to give prosperity to their homeland, to help the needy, and, in obedience to the Law of God, to merit the Kingdom of Heaven. On the other hand, there are those who serve themselves, who do not hold any moral principles, who want to demolish the family and the nation, exploit workers to make themselves unduly wealthy, foment internal divisions and wars, and accumulate power and money: for them the fallacious illusion of temporal well-being will one day - if they do not repent - yield to the terrible fate that awaits them, far from God, in eternal damnation.

In society, Mr. President, these two opposing realities co-exist as eternal enemies, just as God and Satan are eternal enemies. And it appears that the children of darkness - whom we may easily identify with the deep state which you wisely oppose and which is fiercely waging war against you in these days - have decided to show their cards, so to speak, by now revealing their plans. They seem to be so certain of already having everything under control that they have laid aside that circumspection that until now had at least partially concealed their true intentions. The investigations already under way will reveal the true responsibility of those who managed the Covid emergency not only in the area of health care but also in politics, the economy, and the media. We will probably find that in this colossal operation of social engineering there are people who have decided the fate of humanity, arrogating to themselves the right to act against the will of citizens and their representatives in the governments of nations.

We will also discover that the riots in these days were provoked by those who, seeing that the virus is inevitably fading and that the social alarm of the pandemic is waning, necessarily have had to provoke civil disturbances, because they would be followed by repression which, although legitimate, could be condemned as an unjustified aggression against the population. The same thing is also happening in Europe, in perfect synchrony. It is quite clear that the use of street protests is instrumental to the purposes of those who would like to see someone elected in the upcoming presidential elections who embodies the goals of the deep state and who expresses those goals faithfully and with conviction. It will not be surprising if, in a few months, we learn once again that hidden behind these acts of vandalism and violence there are those who hope to profit from the dissolution of the social order so as to build a world without freedom: *Solve et Coagula*, as the Masonic adage teaches. \*

Although it may seem disconcerting, the opposing alignments I have described are also found in religious circles. There are faithful Shepherds who care for the flock of Christ, but there are also mercenary infidels who seek to scatter the flock and hand the sheep over to be devoured by ravenous wolves. It is not surprising that these mercenaries are allies of the children of darkness and hate the children of light: just as there is a deep state, there is also a deep church that betrays its duties and forswears its proper commitments before God. Thus the

Invisible Enemy, whom good rulers fight against in public affairs, is also fought against by good shepherds in the ecclesiastical sphere. It is a spiritual battle, which I spoke about in my recent Appeal which was published on May 8.

For the first time, the United States has in you a President who courageously defends the right to life, who is not ashamed to denounce the persecution of Christians throughout the world, who speaks of Jesus Christ and the right of citizens to freedom of worship. Your participation in the March for Life, and more recently your proclamation of the month of April as National Child Abuse Prevention Month, are actions that confirm which side you wish to fight on. And I dare to believe that both of us are on the same side in this battle, albeit with different weapons.

For this reason, I believe that the attack to which you were subjected after your visit to the National Shrine of Saint John Paul II is part of the orchestrated media narrative which seeks not to fight racism and bring social order, but to aggravate dispositions; not to bring justice, but to legitimize violence and crime; not to serve the truth, but to favour one political faction. And it is disconcerting that there are Bishops - such as those whom I recently denounced - who, by their words, prove that they are aligned on the opposing side. They are subservient to the deep state, to globalism, to aligned thought, to the New World Order which they invoke ever more frequently in the name of a universal brotherhood which has nothing Christian about it, but which evokes the Masonic ideals of those who want to dominate the world by driving God out of the courts, out of schools, out of families, and perhaps even out of churches.

\* Solve et coagula is a maxim or motto of Alchemy which means “dissolve and coagulate”. It means that something must be broken down before it can be built up. One interpretation of this saying is to dissolve the body and build up the spirit.

## Biography

Carlo Maria Viganò, born 16 January 1941, is an archbishop of the Catholic Church who served as the Apostolic Nuncio to the United States from 19 October 2011 to 12 April 2016. He previously served as Secretary-General of the Governorate of Vatican City State from 16 July 2009 to 3 September 2011. He is best known for having occasioned two major Vatican scandals. These were the Vatican leaks scandal of 2012, in which he revealed financial corruption in the Vatican, and a 2018 letter in which he accused Pope Francis and other Church leaders of covering up sexual abuse allegations against former cardinal Theodore McCarrick.

# French General says the Unvaccinated are Superheroes

7 October 2022

## French General pays Tribute to the Unvaccinated

“They Embody the Best of Humanity; they are Superheroes”

In a powerful letter making waves across Europe, French General, Christian Blanchon, praised citizens who refused the experimental Covid ‘vaccine’ injections.

The General thanked the Unvaccinated for their strength, courage, and leadership. The Unvaccinated persevered, despite years of pressure campaigns, discriminatory policies, social exclusion, loss of income, threats, and being blamed for other’s deaths.

“Even if I were fully vaccinated, I would admire the Unvaccinated for standing up to the greatest pressure I have ever seen, including from spouses, parents, children, friends, colleagues, and doctors.

People who have been capable of such personality, courage, and such critical ability, undoubtedly embody the best of humanity.

They are found everywhere, in all ages, levels of education, countries, and opinions.

They are of a particular kind; these are the soldiers that any army of light wishes to have in its ranks.

They are the parents that every child wishes to have, and the children that every parent dreams of having.

They are beings above the average of their societies; they are the essence of the peoples who have built all cultures and conquered horizons.

They are there, by your side; they seem normal, but they are superheroes.

They did what others could not do; they were the tree that withstood the hurricane of insults, discrimination, and social exclusion.

And they did it because they thought they were alone and believed they were alone.

Excluded from their families’ Christmas tables, they have never seen anything so cruel. They lost their jobs, let their careers sink, and had no more money... but they didn’t care.

They suffered immeasurable discrimination, denunciations, betrayals, and humiliation... but they continued.

Never before in humanity has there been such a casting; we now know who the resisters are on planet Earth.

Women, men, old, young, rich, poor, of all races and all religions, the Unvaccinated, the chosen ones of the invisible ark, the only ones who managed to resist when everything fell apart, collapsed.

You’ve passed an unimaginable test that many of the toughest marines, commandos, green berets, astronauts, and geniuses couldn’t pass.

You are made of the stuff of the greatest that ever lived; those heroes born among ordinary men who shine in the dark”

**We salute the French General, Christian Blanchon, for his Insight, Wisdom, Love, Bravery, Honesty, and Integrity. He is a rare human and a true leader. Our Love, Thanks, and Blessings, go out to him.**

“You can’t undo anything you’ve already done, but you can face up to it. You can tell the truth. You can seek forgiveness. And then let God do the rest”
