

Discover suppressed information on vaccines and immune function

Join us for the following
series of four monthly meetings at

Indoor Yard Sale

1005 Albeni Hwy. (Highway 2) - across from the Priest River
Junior High School in Priest River, Idaho

6:30 PM—8:30 PM

First Thursday of each month

March

5

I. WHY DO WE VACCINATE?

- exploring the basis for the beliefs we hold
- questioning sources of funding for information
- understanding propaganda techniques
- questioning authority figures and statistics

April

2

II. ARE VACCINES REALLY SAFE AND EFFECTIVE?

- how vaccines are made and ingredients of commonly used vaccines
- a brief history of vaccination
- the suppression of vaccination failures
- how our bodies respond to vaccines

May

7

III. DO WE HAVE TO VACCINATE?

- our right to abstain from mandatory vaccines
- exemption forms for schools, daycares and employers
- state vaccine tracking registries: are they voluntary?
- being effective in asserting our rights

June

4

IV. CAN WE IMMUNIZE WITHOUT VACCINES?

- understanding dis-ease and why we get sick
- basic principles of natural healing
- treatment guidelines for common childhood illnesses
- developing a more harmonious relationship with our bodies

These meetings are sponsored by Vaccination Liberation - Idaho Chapter.
